

FEB 22 2000

Dear Brigadier General Carl Srack
I think that we should not
breach the dams because we're
just throwing money down the drain.
We wouldn't have any electricity
and even PFI will have to shut
down. That's where we get our paper.
I'm in Mrs. Johnson's fourth grade
class and I think it's wrong to
breach the dams.

Sincerely,
Brianna Gottschalk
